High Concepts

High concepts are the most basic description of a game idea. Short and sweet, they should be direct and compelling.

[How to write a great high concept](#)

sort: [new](#), [likes](#), [game type](#), [recent activity](#), [a-z](#)

This is a project

This is a high concept for a project. It will be limited to 140 characters so that it can be tweetable. It should be short and sweet. Cool.
